## Packaging

Packaging	Product code
6 buckets of 70 wipes	U2A18FF004 Fr/En/Es/Pt
Pallet of 27 boxes	U2A18FF005 Fr/De/It/Nl

## Directions for use

Pull an impregnated wipe horizontally to the pre-cut. Close the container securely after use

Scrub with the abrasive side by performing a circular movement. Then wipe with the smooth side.

Do not rinse.  
Let dry.

Throw used wipes in a waste container.

*NB : In case of very encrusted and very old tags, pre- wet the surface with the wipe and leave few minutes before rubbing.*
