

# HAND HYGIENE: FOR A HEALTHY WORKPLACE

You can make it easy for staff and visitors to practice good hand hygiene and reduce the spread of germs to hands and surfaces by making GOJO® hand soaps and PURELL® hand and surface sanitising solutions accessible in high-touch areas.<sup>1</sup>

- GOJO Scrub Hand Cleaners contain scrubbing particles and are formulated to remove tough soils such as oil and grease.
- GOJO and PURELL Dispensing Systems are easy to service and built to last.
- PURELL Antimicrobial Wipes Plus safely and effectively sanitise surfaces and hands.
- PURELL Sanitising Stations are freestanding and ideal for high traffic locations.
- PURELL hand sanitisers kill 99.99% of most common germs and are a great way to help prevent the spread of infection in any environment. PURELL Advanced Hygienic Hand Rub is active against Coronavirus (30s).<sup>2</sup>
