

HAND HYGIENE: FOR A HEALTHY FUTURE

You can make it easy for staff, students, and visitors to practice good hand hygiene and reduce the spread of germs to hands and surfaces by making GOJO® hand soaps and PURELL® hand and surface sanitising solutions accessible in high-touch areas.¹

- GOJO Luxury Hair, Body & Hand Foam Wash is a spa-quality wash with a cucumber scent.
- GOJO Antimicrobial Plus Foam Handwash is gentle on the skin and formulated to be highly effective for the removal of oils, fats, and soils commonly associated with food processing environments. Food taint test compliant: BS EN ISO 4120:2007. Dermatologically tested and suitable for sensitive skin.
- GOJO and PURELL Dispensing Systems are easy to service and built to last.
- PURELL Antimicrobial Wipes Plus safely and effectively sanitise surfaces and hands.
- PURELL hand sanitisers kill 99.99% of most common germs that may be harmful and are a great way to help prevent the spread of infection in any environment. PURELL Advanced Hygienic Hand Rub is active against Coronavirus (30s).²
- PURELL Sanitising Stations are freestanding and ideal for high traffic locations.
