GOJO SANITARY SEALED™ Refills... Safe, Smart and Sustainable

Safe: Factory-sealed refills reduce the threat of germs. Every new refill comes with a fresh nozzle, so there's no long-term exposure to the germs in the washroom environment.

Smart: The snap-in soap refill supports the image of washroom cleanliness, reduces maintenance time and eliminates the hassle of refilling dispensers from bulk fill bottles.

Sustainable: Bottles for our FMX dispensing system made with 100% recycled PET.
