

SOLUTIONS FOR HIGH TRAFFIC LOCATIONS

PURELL® Hand & Surface Antimicrobial Wipes

QUICKLY SANITISE HANDS & SURFACES IN A SINGLE, CONVENIENT FORMAT

Keep hands and surfaces germ-free with PURELL Hand & Surface Antimicrobial Wipes. These highly effective wipes create a lasting, and positive impression of your facility as they kill up to 99.99% of most common germs. A one-stop solution that is effective on hands and non-porous surfaces.

- Tested in real-world conditions on non-porous surfaces under EN 16615, the gold-standard of wipes testing
- Effective against bacteria from 30 seconds (EN 1276 & EN 13727)
- Effective against yeast, mould and viruses
- Easy to use - no rinse required
- Suitable for use on food-contact surfaces
- Available in a variety of sizes and formats
- Replaces need for different types of wipes and surface cleaners

Keep hands and surfaces germ-free with PURELL Hand & Surface Antimicrobial Wipes.

Suitable for use on hands, general surfaces and food contact surfaces, they provide a single product solution to the problem of germ transmission.

These highly effective wipes kill up to 99.99% of most common germs.

Suitable for use in:

- Healthcare
- Health & Fitness
- Leisure
